

OurSCHOOL Data Deep Dive for School Teams Workshop: Overview for Division Leaders

Thank you for choosing the Data Deep Dive for School Teams Workshop to empower your schools with data-driven strategies for success! Below is an outline of the workshop, its outcomes, and the support you can provide to ensure success in your division.

Workshop Format:

Delivery: On-demand, web-based, and interactive.

Flexibility: School teams can engage at their own pace and schedule.

Accessibility: Tailored for all levels of data literacy.

Participants: School-level personnel across your division.

Workshop Length:

An estimated 7 hours total, divided to suit each school's schedule and preferences. Based on their needs, *schools can spend more or less time on each activity.*

What are the workshop outcomes?

Upon completing the workshop, school teams will have:

- developed enhanced data interpretation skills,
- created a comprehensive action plan detailing data-driven goals, targeted strategies, and measurable improvements, and
- improved collaborative capacity to support school planning and division-wide objectives.

How can I support my schools?

To maximize the impact of this workshop within your division, consider the following actions:

1. Pre-Workshop Meeting:

Host a live meeting with your school teams to introduce the workshop's structure and objectives. This meeting provides clarity and encourages engagement. Participants can also ask questions during this session to ensure a smooth start. **Please let us know if you would like The Learning Bar to host this meeting!**

2. Workshop Implementation:

Encourage school teams to engage with the workshop content at their own pace, utilizing the flexible web-based format. Ensure that teams understand the value of data-driven decision-making and action planning. Encourage schools to reach out with questions or challenges as they continue their data-driven journey. **The Learning Bar would be happy to answer any questions along the way!**

3. Post-Workshop Meeting:

Offer the option for a live meeting after the workshop where schools can ask any remaining questions and seek clarification about the content or action planning. This collaborative opportunity fosters a sense of support and ensures a comprehensive understanding of the workshop's teachings. **Please let us know if you would like The Learning Bar to host this meeting!**

What are my next steps?

For more details on scheduling the live pre- or post-workshop meetings or for any inquiries related to the workshop, please reach out to us. We're here to ensure a seamless and successful experience for your schools.

Thank you for investing in your schools' success through data-driven collaboration. Together, we're charting a path toward excellence.

Thank you,

The Learning Bar Team
