

Engagement Session:

Pre-Survey Strategy Session

Create a foundation for an effective survey!

The Pre-Survey Strategy Session is designed to help you effectively implement your OurSCHOOL survey and create a solid foundation for using perception data in your school improvement planning.

OUTCOME

Apply actionable strategies for an effective survey implementation

Participants will leave the session with:

- strategies and resources to generate excitement for the OurSCHOOL survey, and
- ideas for a successful survey implementation.

SESSION INFORMATION

Drive school improvement with data-driven decision-making

During this session, we will explore topics such as:

- data-driven planning,
- goal setting, and
- survey measure selection and custom question design.

Empower your educators with OurSCHOOL data to effectively impact all aspects of student outcomes.
